THE FOOTBALL STRATEGY GAME

KIT PICKER

HOW IT WORKS

Welcome to the Counter Attack kit picker! We have a growing range of kits available for your Counter Attack game nights. They are all listed here, so enjoy browsing and make your final selection at counterattackgame.com

A kit comprises of two parts:

- (1) the 11mm sticker
- (2) the 14mm wooden counter

The sticker can have any design. Each team comes with 10 stickers, numbered 2-11

All of the possible counter colours are shown below. Variations are currently not possible.

PLEASE NOTE: Some team counters are available separately in the Counter Attack store in screenprinted format. They are NOT part of the sticker team deals.
